## JOHN KENNARD JEWELER, DEAD

One of Oldest Residents in Rushville  
Expires Rather Unexpectedly  
Early This Morning.

### PTOMAIN POISONING, CAUSE

Learned Trade With Tiffany in New  
York City and Moved Here  
Thirty-five Years Ago.

John Kennard, age seventy-three years, who was probably the oldest merchant in Rushville in point of years in which he was in business here, died at his home at 315 West Second street this morning at two o'clock rather unexpectedly of ptomaine poisoning.

He suffered an attack of acute indigestion May 29, and had been ill ever since, but his condition was not believed to be critical at any time. A nurse was at his bedside for the first time last night.

Mr. Kennard is survived by his widow, a daughter, Mrs. W. Allen, and a grandson, Kennard Allen. The only other near relative surviving is a niece living in New York.

The funeral will be held at the late residence Friday afternoon at four o'clock by the Rev. A. W. Jamieson, pastor of the United Presbyterian church, of which the deceased was a member, and burial will take place in East Hill cemetery.

Mr. Kennard was born in New York City, July 7, 1839, and would have been seventy-four years of age next month. He learned the jewelry business in Tiffany's place, which has become famous. He took a place on the bench at the age of fourteen years and gradually climbed up in his chosen work. He remained active in the business up until the time he was taken sick.

Mr. Kennard moved here thirty-five years ago and entered into business for himself, and ever since has been identified with the best business interests of the city. He first opened a store in the room which stood where A. L. Aldridge's grocery now is. Later he had a place in the front part of the room adjoining, at the corner of Main and Second streets. He then moved to the back end of this room and had an entrance in Main street. When the building was torn down to make way for the Rushville National bank building, Mr. Kennard moved the store to the corner of Main and Third streets where it is now located.

## DELIVERY HORSE RUNS AWAY

Stops Only When it Hits Wire Fence.

A thrilling runaway occurred this morning in the northern part of the city when the horse hitched to the L. L. Allen delivery wagon frightened at a traction car. The horse started in the alley back of the Merrill grocery in North Sexton street and was not stopped until it hit a fence in the Abercrombie field in the Belmont addition. The horse was freed from the wagon when it hit a telephone pole. The animal hit the wire fence going at top speed and it was so badly entangled in the wire that the fence had to be cut in order to release it. Bob Conway was on the wagon when the horse started and sustained a bruised leg in a fall but was not seriously hurt.

## HE IS OFFICIALLY NOTIFIED

G. P. Hunt Receives Word From  
Postal Authorities.

G. P. Hunt has received official notification from Washington of his appointment as postmaster here. His commission has not yet arrived but is looked for any time now. Mr. Hunt hopes to take office not later than the first of July. With the notification was the bond to be made out and filed with the postal authorities. Dispatches from Washington have carried the news of his appointment, but this is the first official word Mr. Hunt has received.

## DEATH COMES TO MRS. WILL JOYCE

Passes Away at Home Here After  
Illness of Several Months From  
Cancer.

### FUNERAL FRIDAY MORNING

Mrs. Katherine Laughlin Joyce, 49 years old, wife of Will Joyce, died last night at eleven o'clock at her home in East Eighth street. Mrs. Joyce had been ill for the last twelve weeks and death was due to cancer. She is survived by her husband, her mother, Mrs. Anna Laughlin, and five sisters, Miss Ida Laughlin, Mrs. Michael Seanlan, Mrs. Charles Mar- kle, Mrs. W. K. Thomas of Indianapolis, and Mrs. Dave Small of Syracuse, N. Y., and one brother, Laird Laughlin of Columbus, Ohio. The funeral services will be held Friday morning at the Catholic church and burial will take place in East Hill cemetery. Friends may call Thursday afternoon between one and five o'clock.

## TRAIN CRASHES INTO CATTLE CAR

Two Men From Jersey Isle Sustain  
Painful Injuries in Accident  
Near C. H. & D. Depot.

### BRUISES VALUABLE ANIMALS

John La Couter and Fred De La lhey, natives of Jersey Isle, were severely injured yesterday afternoon when a cattle car in which they were riding was running into a cut of cars near the C. H. & D. freight depot. The car was loaded with Jersey cattle belonged to A. P. Walker, and had just arrived from New York. The men were getting ready to unload the cattle when the accident occurred.

The force of the collision threw both men to the floor of the car and La Couter was thrown over three cows. De La lhey sustained a badly bruised left hand and it will be several weeks before he is again able to work. La Couter sustained a badly bruised shoulder. The damage to the cattle can not be estimated by Mr. Walker. Many of the valuable animals were bruised and cut and one calf died this morning from injuries received. The cattle were purchased this spring in Jersey Isle by Mr. Walker.

Dr. F. R. McClanahan of this city responded to a toast in Indianapolis Monday night at the farewell dinner in honor of Dr. Alexander Jamieson, who is retiring from the practice of dentistry in Indianapolis.

## WORKED ON FARM AT LEWISVILLE

Winfield S. Parker, Who Seth Lucas  
Said he Killed, Employed by T.  
B. Schwartz Afterward.

### WIFE MURDERER IS HOAXING

Officials Believe he Wished to Add  
Realism to His Insane Tactics  
of Last Few Weeks.

That Seth Lucas, the confessed wife murderer of Greensfork, Wayne county, was hoaxing the Wayne county and Richmond officials when he declared recently that he had killed and buried in a well Winfield S. Parker, a farm laborer, who disappeared from his home in Centerville, Wayne county, June 23, 1905, has been found to be the case by the Richmond chief of police.

An investigation was made on the theory that Parker had worked on a farm near Lewisville for several months after he had apparently dropped off the earth. The officials have learned that Parker was employed by E. B. Schwartz, northwest of Lewisville for ten months. The chief of police stated that he was positive that Parker was alive but as he was not wanted on any charge there was no reason to hunt for him except for curiosity. Yesterday afternoon the chief talked to Mr. Schwartz who said that Parker had worked for him from June, 1905, until April, 1906, when he left, saying that he was going to seek work in the northwestern part of the country.

Parker was an excellent farm hand and saved all the money which he was paid by Schwartz. This money he deposited with Herbert Bailey, a banker at Spiceland, near the Schwartz farm.

The statement made by Lucas recently that he killed Parker and had placed his body in an old well is believed to have been made in order to add realism to the insane tactics which have been displayed by the confessed wife murderer since he first went on a hunger and sleep strike.

Two Richmond physicians have been appointed by the Wayne circuit court to examine Lucas as to his mental condition. This plan was suggested as a means of getting the case before the court. Lucas has been indicted by the grand jury.

## HEARS OF SISTER'S DEATH

Mrs. George F. Moore is Called to  
Bentonville Today.

Mr. and Mrs. George F. Moore were called to Bentonville today by the death of Mrs. Moore's sister, Mrs. James M. Crawford, age seventy-two years, who expired after a short illness of heart trouble. She is survived by her husband and five children: Earl Crawford of Milton, who represented Fayette and Wayne county in the last legislature; Frank Crawford of Connorsville; C. E. Crawford, an Indianapolis newspaper man; Mrs. Minnie Freeman of Bentonville and Mrs. Ruby Hackleman of Falmouth. The funeral was held this afternoon.

### WERE RELEASED.

Charles Sorrell and Fred Hatfield arrested on an assault and battery charges, were released last night after the hearing in Squire Kratzer's court. The case was dismissed for lack of prosecution.

## YOU A BISCUIT OR HALF BAKED?

That is Question L. E. Brown Expec-  
ted People at Coliseum to De-  
cide After Address Today.

### EDUCATIONAL DAY EXERCISES

Measure of Real Man, He Said, is by  
Inspiration Not Inches—  
Large Crowd.

The purpose of the Rev. L. E. Brown's address at the county educational day exercises at the coliseum in the city park this afternoon, according to the speaker himself, was to present various aspects of the case so that the people in the audience could determine whether they were biscuits or were only half baked.

A faint echo of laughter, apparently approving his determination, was the only return the audience made, but at the conclusion of the address, the people within the hearing of the Connorsville minister evidently had determined whether they were a human biscuit or only half done, because the speaker had given them ample facts.

The educational day exercises attracted a crowd that filled three-fourths of the seats in the large coliseum. The graduates were seated in the center of the building. County Superintendent C. M. George introduced the speaker and the Rev. C. M. Yocum pronounced the invocation. The township trustees and Prof. J. H. Scholl, superintendent of the city schools, were seated on the platform. Wagoner's orchestra furnished the music. At the conclusion of the address the county superintendent presented the diplomas.

The Rev. Mr. Brown showed what an important place food has in the world. He cited incidents from history and recalled instances from latter days to prove that food had a bearing on all of the activities. By humorous allusions he led up to the lowly biscuits, pointing out that the word itself meant baked on both sides. It was then he made the declaration that he intended to make the people in the audience line up as a biscuit or on the other side. He proposed, he said, to develop the question as related to the people, their homes and their religion.

He pointed out that God measures a man by character, not by clothes; by inspiration and not by inches; not by outward appearance, but by heart beats.

"I am not here to disclaim against athletes," the speaker continued, "but beauty of body and fleetness of foot are not the real measure of a man. These qualities are not to be despised, but they are not the inherent ones that go to make the courageous man. The size of a package does not indicate the price of it. It may be all wool on the inside and all wool on the outside, and then again the wool on the inside may be lacking."

Mr. Brown told the story of a long, lank, cadaverous man who was pestered by a newsboy entering his office to sell him a paper every evening. One evening he heard the boy approaching and proposed to a friend in the office that the boy be frightened so he would not return. The friend dragged a skeleton out of the office, propped it up in the corner and the two secreted themselves. One glimpse of the skeleton was enough for the boy. The man felt mean after the "newsie" had departed and called to him down on the street and told him he would buy all the papers he had if he would return. The "newsie" looked up slyly and replied: "Not on your life. You can't fool me"

## IS THE FIRST CONVICTION

Newcastle Minor Fined in Police  
Court For Buying Cigarettes.

The first conviction under the new state cigarette law was obtained in police court in Newcastle this week. Edgar Grace, a minor, who was charged with buying cigarettes, was fined a dollar and costs on a plea of guilty. Grace's attorney mentioned something of extenuating circumstances in open court, but the court said it was a plain violation. The prosecution said Grace had averred he could buy cigarettes any place in Newcastle where they were kept.

## JURY MAY GET CASE TONIGHT

Expected That Evidence in Chaney  
Malpractice Suit Would be  
Concluded Today

### LOCAL PHYSICIANS TESTIFY

Indications Tuesday were that the testimony in the Chaney damage case which came here from Rush county and which has been on trial in circuit court since a week ago Monday, will be finished Wednesday evening, says the Shelbyville Democrat. Attorneys for the defendants stated yesterday that they would probably finish by noon. Several physicians were heard as experts for the defendants Monday afternoon and Tuesday, among them being Drs. John C. Sexton, E. I. Wooden, Henry V. Logan and Lowell Green of Rushville; Dr. L. C. Sammons of this city, and Dr. R. J. Kemper of Indianapolis. They all testified regarding the proper manner of treating fractured hips. The suit is based on an accident, in which Harold Chaney, fifteen years old, a son of the plaintiff, Carlton Chaney, suffered a fractured hip. He was left a cripple and Mr. Chaney is suing Drs. Hugh Elliott and John Paxton of Rushville, who treated him, for damages of \$5,000 alleging malpractice.

## HOPES RISE WITH MERCURY TODAY

Officials of Civic Improvement Asso-  
ciation Encouraged Over the  
Prospects.

### A PITCH-IN AT PARK TODAY

When the mercury began to rise today back to the normal June temperature, the officials of the Civic Improvement and Social Service Association of Rushville were very much encouraged over the prospects of the pitch-in supper which was to be held at the city park this afternoon and evening. The cold weather of the last three days has made them less hopeful because they feared that the people would not turn out for the occasion.

When today dawned clear and much warmer they began to receive reports of people who planned to attend. The men have been asked to bring all of the apparatus they can to mow grass and the women are promising a bountiful supper to repay them for their work. It was felt early this afternoon that the event although an innovation here, would be a pronounced success.

## BIGAMIST GETS A PRISON TERM

Charles Reed, Who Won Knights-  
town Widow's Heart by Mail,  
Enters Plea of Guilty.

### CONFESSED TO THE COURT

Developes That he Met His First  
Wife Through Matrimonial  
Agency, Too.

Charles "Reamer" or rather Charles Reed, will not get acquainted with any more widows through matrimonial agencies for a period of two years at least, he having entered a plea of guilty to the charge of bigamy in the Henry circuit court at Newcastle yesterday, and received a sentence of from two to five years in the Michigan City prison. He will be taken to that institution within a day or two.

Reed is the man who, already possessing one wife, whom he married at Jersey City, March 8, married Mrs. Nancy Bailey of Knightstown, on May 1.

Unfortunately for the two women and for himself, the matrimonial agencies are suffered to exist, the Newcastle Times says. Had it not been for them, in all probability he would not now be in the predicament he is in, and the two women who were so foolish as to listen to his wiles, would be enjoying single blessedness instead of having to contend with the odium which attaches itself to the two cases.

Mrs. Reed No. 1 is due to arrive in Newcastle tonight. The object of her coming is to ascertain, if possible, the location of the diamonds that Reed took when he left her.

Reed was arraigned before Judge Jackson on Tuesday morning and was closely examined as to his movements since his marriage to the Jersey City woman and preceding his marriage to Mrs. Bailey.

He gave his answers in a low tone of voice and shaded his face with his hands in order to avoid the stare of the few spectators who were present. He stated that he met his first wife through a matrimonial agency and that he also became acquainted with Mrs. Bailey by the same method. He was a heart-smasher for fair, according to his own version of his two courtships. He lived in Rochester, N. Y. for ten years and began corresponding with Mrs. Bailey last September, under the name of Reamer. In the meantime he became acquainted with Mrs. Tuttle, the Jersey City woman and married her after a mail order courtship lasting four weeks. After three weeks of married life he departed voluntarily and went to Knightstown, and on May 1 married Mrs. Bailey the day he arrived.

After he had been sentenced, Reed fearing that he might be arrested on the charge of theft upon completing his sentence, gave Prosecutor Evans a list of the diamonds and told where he had disposed of them. A diamond pin and a single stone ring he sold in Philadelphia, receiving in return \$115 in cash and a ladies' gold watch worth about \$40. The watch he gave to Mrs. Bailey.

A double set ring he pawned in Fostoria, Ohio, for \$150.

This information will be given to Mrs. Bailey upon her arrival.

A peculiar thing in connection with the circumstance is the fact that Reed was warned in a dream early Friday morning that he should leave to escape arrest. He awoke with a start Friday morning after realizing that he had been dreaming he had been arrested for bigamy. Concerning his dream he said: "I had a

### Notice of Petition For Drain.

In the Rush Circuit Court May Term, 1913.

State of Indiana, County of Rush, ss: In the matter of the petition for a drain by Maurice W. Manche, et al.

Notice of the filing and docketing of petition to Alice Chappell.

You are hereby notified, that we, the undersigned have filed in the office of the Clerk of the Rush Circuit court of said Rush county a petition, asking for the construction of a certain drain, being in Ripley township, Rush county, Indiana, and in Blue River township, Hancock county, State of Indiana, and located and described as follows to-wit:

Commencing at a point about the southeast corner of the northeast quarter of the northwest quarter of Section 26, township 15 north, range 8 east, and continuing thence west to the line dividing the east half of the west half of the northeast quarter of Section 27, township 15 north, range 8 east, thence in the southwesterly course to a point about the center of the southwest quarter of Section 27, township 15 north, range 8 east, thence west to township line (the same being the county line between Hancock and Rush counties), thence in the northwesterly course emptying into Six Mile.

That said petitioners believe that said proposed drainage can be accomplished in the best and cheapest manner by the construction of a tile ditch of sufficient size and dimensions therein and covering the same properly, to drain successfully all of the real estate of the petitioners and others described in said petition, said petition alleges that real estate owned by you and described in said petition will be affected by said proposed drainage. You are hereby notified that said petition will be docketed for hearing on the 30th day of June, 1913.

Witness my hand and seal of said court on the 30th day of June, 1913.

Signed: Maurice W. Manche, S. Murray Parker, Wm. Pitts, Jesse Henley, Trustee of Ripley township, Rush county, Indiana.

### Notice of Final Settlement.

Notice is hereby given to the creditors, heirs and legatees of Sidney M. Brooks, deceased, to appear in the Rush Circuit Court, held at Rushville, Indiana, on the 14th day of June, 1913, and show cause, if any, why Final Settlement Accounts with the estate of said decedent should not be approved; and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Witness, the Clerk of said Court, this 20th day of May, 1913.

ARIE M. TAYLOR,  
Clerk Rush Circuit Court.  
Watson, Titsworth & Green,  
Attorneys.  
May 21-28 June 4-11.

### Notice to Absentee

State of Indiana, County of Rush, ss: In the Rush Circuit Court, September Term, 1913.

Robert S. Longfellow vs. Ferman Allred, Cause No. 44.

Notice is hereby given that said plaintiff has filed his complaint in said court against said defendant, Ferman Allred, praying for the appointment of an administrator for the estate of said defendant, for the reason that he, said Ferman Allred, has absented himself from his usual place of residence, and gone to parts unknown, for and during a continuous period of more than five years last past, and has left personal property in Rush County, Indiana, without having made any sufficient provision for the management of the same, which property is suffering waste for the want of proper care, and that the family, heirs, and kindred of said defendant are in need of the use and proceeds of such property, for their support and education.

Said defendant, is therefore hereby notified to appear in the Rush Circuit Court, at Rushville, Rush County, Indiana, on Monday, September 1st, 1913, the same being the first day of the September 1913 term of said court, and show cause, if any there be, why said petition should not be granted.

Witness my hand and official seal this 10th day of June, 1913.

ARIE M. TAYLOR,  
Clerk Rush Circuit Court.  
June 11-18-25-July 2

**PORTER CHARLTON.**

Center of Interest In American-Italian Extradition Case.

## SUPREME COURT SAYS CHARLTON HAS TO GO

### Noted Prisoner Must Be Extradited to Italy.

Washington, June 11.—For killing Mary Scott Castle Charlton at Lake Como, Italy, three years ago, Porter Charlton, young wife murderer, must be extradited to Italy and stand trial. This was the ruling of the supreme court of the United States. It affirmed the decision of lower courts dismissing Charlton's habeas corpus suit. The decision came just three years to a day from the time the body of Mrs. Charlton was taken from Lake Como.

After discussing the insanity plea Justice Lurton, who read the opinion, took up the main point in the case, whether, under the treaty of 1868 an American citizen could be extradited to Italy for a crime committed there, particularly since Italy will not extradite its subjects for crimes here. The refusal to surrender citizens for extradition, the justice said, was of modern origin. Some of the American treaties provided, he added, that citizens shall not be extradited, while the others are silent.

"The conclusion is," said Justice Lurton, "that this government, making exception in some treaties that it would not extradite its citizens, shows it was fully aware that there was no exception in favor of citizens in other treaties where the exception was not made, as the treaty with Italy."

Charlton has been a prisoner in the Hudson county (N. J.) jail nearly three years while the fight for his extradition has been going on. Charlton's father, who conducted a gallant fight for his son, was a former United States judge for Porto Rico and a classmate of former President Taft.

### PAID "GRAFT" FIVE YEARS

This Is Testimony of Gambler in the Duffy Trial.

New York, June 11.—Julius Roth, who formerly ran a poker game on West 118th street, told on the witness stand before Justice Goff, in the criminal branch of the supreme court of five years of graft paying to policemen for protection for his enterprise. Roth testified as the chief witness for the state against Sergeant Peter J. Duffy, on trial on a charge of bribery.

The gambler said that James E. Wren was the first policeman to "call on him." Then later came Policeman Eugene F. Fox, collector for Captain Thomas W. Walsh, and when the East 126th street precinct was divided last summer and the "club" fell into the new precinct, Duffy came and said he was to take Fox's place, according to Roth. Thereafter, Roth said, Duffy came every month and received \$30 in a sealed envelope each visit.

**This Firm Hard Hit.**

Shelbyville, Ind., June 11.—The Schoenrump-Worden rack factory was destroyed by fire with a loss of \$10,000. A building which the one destroyed replaced was burned March 22 last with a loss almost as heavy as the present one. The company also lost heavily in a fire that destroyed the Hoosier novelty plant a few weeks ago.

#### WEATHER EVERYWHERE.

Observations of United States weather bureaus taken at 8 p. m. yesterday follow:

New Orleans...	68	Clear
Washington...	64	Clear

Fair, rising temperature.

## GRAIN STORAGE UNDER THE BAN

### One of the Effects of New Indiana Law.

### GRAIN DEALERS TAKE ACTION

Present Regulation of Elevators by the Public Utilities Commission It Was Held Would Impose Restrictions That Would Make It Impossible Profitably to Continue Storing Grain for Farmers Under Old Arrangement.

Lafayette, Ind., June 11.—More than 100 grain dealers and elevator owners from the counties of Tippecanoe, Carroll, White, Montgomery, Benton, Warren, Clinton, Fountain and Newton met in Lafayette for the purpose of discussing the bill passed by the last legislature in reference to storage of grain. Under the new law the elevators would be regulated by the public utilities law, and it was the sense of the meeting that the elevators would no longer store grain for the farmers.

W. B. Riley of Indianapolis, secretary of the Indiana Grain Dealers' association, advocated this step on the part of the elevator men. He said that the grain dealers received only one-half cent a bushel for storage on grain and that they lost more than the revenue, owing to the shrinkage on the grain during the time it was in the elevator. Many members of the farmers' association attended the meeting.

### CLEANED UP THE DOCKET

Court Disposed of Two Years' Business in 150 Minutes.

Fort Wayne, Ind., June 11.—Arguments of local attorneys for a more frequent sitting of the federal court in this city were given a setback when Judge A. B. Anderson, in two hours and a half, disposed of all the business that had accumulated for his attention during the past two years. Eight cases were dismissed and the plaintiffs in another case told they apparently have no ground for action. Twenty-one men, drawn as jurors, were paid off and sent home. It is estimated that the total expenses of the session amounted to about \$500. Three damage suits which were to have been tried by jury were settled out of court. The next session of court is scheduled for next December, but will probably not be held at that time.

### New Job For Keegan.

Indianapolis, June 11.—John J. Keegan, a member of the Indiana house of representatives, who was recently an unsuccessful candidate for the Democratic nomination for mayor of Indianapolis, has accepted from William H. O'Brien, auditor of state, the position of chief of the building and loan department of the auditor's office, to succeed Gilbert H. Hendren, who became the head of the state board of accounts as state examiner. The office pays a salary of \$2,500 a year.

### Saves Children From Flames.

South Bend, Ind., June 11.—Mrs. Louis Jaffa, surrounded by flames, braved death to save her two children in a fire which destroyed a wing of the Jaffa house in this city. When the fire broke out in the kitchen of the house the children, aged five and three, were asleep in an adjoining room. The fire spread to the bedroom and the woman, to save her children from death, rushed into the room and removed them from danger.

### She Would Go Rowing.

Hammond, Ind., June 11.—A well-dressed, unidentified Chicago woman rented a boat to go fishing during a gale. After several fishermen had refused to go out with her she induced John Curley to row the boat. About 300 feet from shore the boat was capsized and both were thrown into the water. Curley was rescued by a motor boat. The woman was drowned.

### He Laughed Too Soon.

Elkhart, Ind., June 11.—Arthur Borgani, aged thirty-one, was drowned in St. Joseph river when he fell from a boat anchored near shore, as he was attempting to pass fish he had caught to his wife, who stood on shore. Borgani was unskilled in the use of the boat, and had laughed at his wife when she refused to enter it.

### Suicide of a Boy.

Warsaw, Ind., June 11.—Lloyd, the thirteen-year-old son of Mr. and Mrs. T. M. Banghart, who shot himself in the head with a revolver, is dead. It was first thought to have been an accident, but it was later learned that the boy intended suicide. He had been afflicted with epilepsy.

### Gasoline Destroys Eyes.

Terre Haute, Ind., June 11.—Carl Gallimore, aged twenty-nine, had both eyes burned out and was otherwise so badly burned that his recovery is doubtful, as the result of a gasoline explosion which occurred while he was cleaning a coat.

### Victim of Mysterious Attack.

Huntington, Ind., June 11.—An unidentified person made an attempt to blind Mrs. Otto Levertson, a young widow, by throwing acid on her face and breast. She says she has been receiving threatening letters for some time.

## One of the Delicious Knox Sherbets—You'll Like It

This is a favorite because it makes a strikingly attractive "sweet" in appearance as well as in taste. Its making requires only 1/4 of a box of Knox Gelatine—and the only flavoring, as in all Knox desserts, is obtained from fresh fruits or fruit juices. Try today, this

**Knox Grape Sherbet**

1/4 envelope Knox Sparkling Gelatine.  
1 pint grape juice.  
1 pint water.

1 cup sugar  
2 lemons.  
1 orange.

Soak gelatine in one-half cup cold water five minutes. Boil sugar and water to a syrup and add dissolved gelatine. When partly cooled add juice of the lemons, orange and grape juice. Freeze. Excellent to serve with the meat course.

**Two Packages—1 Sparkling, 1 Acidulated.**

Both Making Two Quarts (1/2 gallon) of Jelly.

With the Plain Sparkling, lemons are used for flavoring; but with the Acidulated package comes an envelope of concentrated lemon juice—a great convenience when too busy to squeeze lemons. Both contain a tablet for coloring.

Let us send you the Knox Recipe Book and enough Gelatine to make one pint—enough to try most any one of our desserts, puddings, salads, jellies, ice creams, sherbets, candies, etc.

Recipe book free for your grocer's name—just sample for 1c stamp.

CHARLES B. KNOX CO.  
400 Knox Ave.      Johnstown, N. Y.

## Cow Peas

If you have a bad piece of oats it will pay you to plow it up and sow Cow Peas. They make the best of hay pasture or hay if cut and saved well. Get them at E. A. Lee's. We also have the Montana Grown Alfalfa seed, known and recommended as the best for this climate, being very hardy.

E. A. LEE.

### Piano Experts

At Grand Hotel  
SPECIAL NOTICE.

We close our engagement in the city in a few days, and suggest that you call us at once if your piano needs attention. The pianos we have overhauled for some of the leading musicians and well known residents of Rushville demonstrate conclusively that we do all we claim, viz. to scientifically adjust and regulate an action, do all lines of expert repair work, replace broken parts, tune and voice.

We can restore the original TONE and TOUCH of your piano. An opportunity to have your piano scientifically adjusted, regulated and tuned by men of FACTORY experience, outside of the large cities, is certainly not to be overlooked or passed by lightly. Don't wait—Call today—Phone 1162. Our representative will call and furnish reference, also particulars regarding the work.

## The Daily Republican

The "Old Reliable" Republican Newspaper of Rush County.

Published Daily except Sunday by THE REPUBLICAN COMPANY.  
Office: Northwest Corner of Second and Perkins Streets, RUSHVILLE, INDIANA.

Entered at the Rushville, Ind., Postoffice as Second-class Matter.

TELEPHONE NUMBER, 1111.

Wednesday, June 11, 1913.

### Convict Road Building.

Several southern states have hit upon the plan of compelling convicts to build their roads and the idea has worked out successfully. Such a law has never been on the statute books in Indiana else we would probably have better laws. The last Indiana legislature took a step in that direction when it gave counties the privilege to employ prisoners on the roads or doing other work for the county, such as improving the court house lawn. A Birmingham, Alabama, newspaper tells of the progress that has been made in the south:

The day will come when the highways of Alabama will be constructed and kept in repair entirely by the convicts. We need great state roads and these roads should be built by the state convicts and the county roads should be built by the county convicts. Jefferson county is already experimenting with the con-

vict system and as this system has been tried and proved highly successful in Georgia and other states it is safe to assume that it will be successful here.

A movement in favor of changing the state convict policy is now well under way. At a conference held recently to consider convict plans, Capt. Frank S. White was chosen chairman and John W. O'Neill secretary. They have decided to call a general meeting for June 14 in Birmingham and they are receiving letters from representative men in every section of Alabama strongly endorsing the movement.

There are fewer convicts employed in the coal mines now than in many years past, but the state's policy should be settled and settled definitely against leasing the convicts to any corporation.

The reason that Georgia is so far ahead of Alabama in its good roads is because her convicts have for some years been road builders. As soon as this state adopts the same plan fine macadam highways up and down the state and across the state will be the same.

### Taft's Proposal.

The House intends to have a budget committee which will report early in each session the sum total that can be appropriated. A budget to be of value must be a budget that will not be exceeded. This budget must be respected by the Senate as

well as by the House, and it may become the duty of the House to trim Senate additions to appropriation bills until the total amount is within the budget.

Former President Taft is the original budget president. It was he who proposed that the government of the United States be run on a business basis just like any individual would conduct his business. He proposed the budget system in a message but it was never carried out.

Two plans are before the House and either is good. The budget in this country will not come from the cabinet, but from the House itself, and the manner of organizing a budget committee in the House now under consideration, and the best features of the Fitzgerald and Sherley plans will probably be woven into the budget reform which the House is about to adopt.

A budget committee to regulate appropriations, particularly, to name the maximum amount of the year's appropriations, has long been needed, and the House is prepared to do its duty. Mr. Underwood is a budget reformer, and so for that matter are all the other leaders in the House. Reforms reach culmination slowly in this country, but action is quick enough when public sentiment is fully ripe, as it plainly is in the matter of having a budget in this country before any appropriations are made—a budget that will be arbitrary and controlling.

## Editorialettes

The crowd gazed at a woman wearing a split skirt on a crowded corner in Indianapolis the other day and such confusion resulted that an automobile and a wagon collided, causing the injury of one man, all of which is one of a thousand reasons why the slashed creations should be abandoned for the more daring trouserines.

Haven't seen 'em? Neither have we. They are all the rage in Chicago—that is, the rage of husbands. The women who haven't the price to lay down for one are draping their husband's trousers and wearing them. There have been no reports of men going down to the office in a barrel.

We shouldn't wonder but that if a

careful count were made, the other two million of the population would be found there, too.

### How Else Could He Be?

(Greensburg News.)

Charles Cover of Rushville in a sad state of intoxication was jailed Saturday evening by Policeman Underwood.

### Something to Worry About.

Nine hundred thousand people see the movies daily in Chicago.

Women who wear skirts in the future will have to wear them narrower, according to the fashion page. Then the woman who abides by this edict will have to be thinner, that's all there is to it.

It is pointed out that most cities are spending two or three times as much as they once were, but no one seems to care since the money can be borrowed.

In these days of eugenic marriages, it will be very embarrassing for the young man who goes courting and suddenly finds that he has left his medical certificate in his everyday coat.

All too soon the watermelon on the rine will take place alongside the siren horn with the world's useless noises.

The cherries are here in abundance. May the weather man bless them and make them red and big.

The Huntington Herald shows that an exchange is out of touch with progress when it says "there is a growing feeling among the young people that you can get all the results of the new dances while sitting in a shady hammock, and without the expense of an orchestra." It's the porch swing now which holds the young folk.

We are forming and Anti-sneak Porch Swing association. Are you a joiner? The fee is a pint of grease.

### 25 Years Ago Today

Jefferson Helm said today that he wished he were back in his youth, teaching in the Farmington academy.

was taken to Waldron by Joe Clark in his automobile.

—Mrs. Madge Young and Miss Lenora Harden of Indianapolis are the guests of Mr. and Mrs. Frank Gates.

—Mr. and Mrs. Harry B. Armstrong left yesterday for LaFayette to attend the commencement exercises of Purdue University. Arthur Kenner, a brother of Mrs. Armstrong is a member of this year's class.

—Dr. and Mrs. Frank H. Green arrived home last evening from New York City, where they have been visiting. They went to New York in an automobile with Mr. and Mrs. Bert Moses who were returning home from here after attending the funeral of Mrs. Moses' mother.

—Charles Caldwell and Norm Norris went to Cincinnati yesterday in A. B. Irvin's automobile to arrange for a new Franklin touring car, for which Mr. Caldwell is the agent here. The old car will be traded in on the deal and the new car will be delivered about the first of next month.

## 40 DELEGATES ARE EXPECTED

Twenty-Second Annual Meeting of The Women's Home Missionary Society at Glenwood Tomorrow.

LOCAL WOMEN ON PROGRAM

Mrs. R. C. Hargrove of This City, First Vice-President, Arranges For Gathering.

The twenty-second annual meeting of the Women's Home Missionary Society of the Connersville district, Indiana conference, of the M. E. church, will attract forty or more delegates to Glenwood tomorrow when three sessions will be held. The convention has been arranged by Mrs. R. C. Hargrove of this city, first vice-president of the district. She acted in place of Mrs. J. M. Montgomery, the president, of Shelbyville, who is sick. Mrs. John Jordan of this city is district recording secretary.

Several Rushville women are on the program and a quartet from the local society will sing. The full program is as follows:

Devotions—Mrs. Jensen.  
Roll Call.  
THURSDAY—9:30 A. M.  
Introduction of Conference Officers.  
Greeting—Mrs. Ella Fulton, President Glenwood Auxiliary.  
Responses—Mrs. Abbott, Rushville and Mrs. Risk, Connersville.  
Song.  
Appointment of Committees.  
Miscellaneous Business.  
Query Box—Mrs. Alfred Stratford.  
Music—Rushville Quartette.  
Benediction.

THURSDAY—1:30 P. M.  
Devotions—Mrs. C. S. Chafee.  
Reports of Auxiliaries.  
Cor.-Sec'y's Report—Mrs. W. M. Crist.  
Election of Officers.  
Election of National Delegate.  
Address—Mrs. Madison Swadener.  
Music—Quartette.  
An Exercise by Mother's Jewels of Connersville.  
Young Peoples Work—Mrs. A. C. Hawn.  
Report of Committees.  
Minutes.  
Collection.  
Announcements.  
Song, "Onward, Christian Soldiers"  
Benediction.  
THURSDAY—7:30 P. M.  
Praise Service, led by—Mrs. George Stout.  
Solo—Miss Jessie Murphy.  
Dialogue by Queen Esther Circle of Connersville.  
Violin Solo—Miss Cricket Tevis.  
Address—Mrs. C. Weaver.  
Benediction.

Potato Spraying

Those desiring their potatoes sprayed must let me know at once. Call Phone 1562 or by card. C. M. Fall. 74t2

## Paid

When your bill is paid by your Rush County National Bank check, it makes no difference whether or not the person you pay returns a receipt.

His signature on your paid check means that he received payment, and the bank itself guarantees the fact.

Can you think of a better way to pay out money?

## The Rush County National Bank

## Personal Points

—Harry C. Oyler left for his home in St. Louis this morning after a visit here.

—Miss Mabel Hunter of Toronto, Canada, is the guest of her sister, Mrs. C. J. Todd.

—John Link of New York City is visiting his parents, Mr. and Mrs. Lon Link, in North Perkins street.

—Mrs. Will Bristol of Frankfort and Mrs. John Merritt and son of Muncie came this afternoon to be the guests of the Misses Alice and Anna Gore at their home in East Third street.

—Mrs. A. B. Irvin was called to Waldron yesterday on account of the serious illness of her mother who suffered a stroke of paralysis. She

## Amusements

"Alixé" or "The Test of Friendship" is the title of the Vitagraph drama, the first picture at the Princess tonight. Helen Gardner and Earl Williams are featured in this picture which is said to be a real feature. The other is a Lubin comedy "The Fake Soldier."

The Palace will show a Thanouser drama "The Tinnest of Stars" for the first picture tonight. It is a story of amature night on the vaudeville stage and is said to be a clever picture. The other is a split-reel showing "Finney's Luck" and "Saw Wood." Both subjects are comedies.

The Portola will show the usual three pictures tonight. "The Sheriff's Son" is the title of the first, an Essanay western drama. "The Duke's Dilemma" is the second, an Edison drama. The third film is a Lubin "The Burden Bearer" featuring Arthur Johnson.

## YOU A BISCUIT OR HALF BAKED?

Continued from Page 1  
even though you did put on some clothes."

The picture of the graduating class was taken on the north steps of the court house, which is the usual custom of educational day.

### MARRIAGE LICENSES.

A marriage license was issued this morning to Dossie M. Callahan and Bertha Hiner.

A marriage license was issued this afternoon to Wayne P. Addison and Ruby E. Kirkham.

Willard Amos has purchased a new underslung, four passenger touring car.

The condition of Mrs. Frank Coltrane of near Orange, who suffered a stroke of paralysis Sunday, is very alarming and little hopes are held out for her recovery. She had a stroke of apoplexy before the paralysis. Today was a critical one, as another stroke was feared.

The family of "Professor" Brown, colored, held a reunion at his home last evening, the occasion being his seventy-sixth birthday anniversary. Mrs. Lizzie Adams of California and Robert Brown of Superior, Wisconsin, are visiting him here. The latter has not been in Rushville for twenty-two years.

Smith Carney has received word that his brother-in-law, William R. Hunt of Treaty, Wabash county, who lived here until the civil war, is critically ill with asthma and complications and is not expected to live. Mr. Hunt was born and reared in this county and enlisted in the Thirty-Seventh Indiana regiment in company with a number of other Rush county men. After the war he located in Wabash county. He was promoted from sergeant to lieutenant during the war for bravery on the field. He is seventy-five years old.

C. C. SWANSON

Senator From Virginia Heads the  
Committee Investigating Mines.AMERICANS WON THE  
FIRST OF THE SERIESBritons Were Rushed Off  
Their Feet.

New York, June 11.—Defeating the English challengers by the score of 5½ goals to 3, America won the first game of the international polo cup series at Meadow Brook. The game was played cleanly on a perfect day before a crowd of 30,000.

J. M. Waterbury, jr., suffered the only injury of moment during the game when one of his fingers was broken in two places during the early part of the sixth period. L. E. Stoddard replaced him. Waterbury will not, of course, be able to take part in the game next Saturday.

America's big four really won the game by rushing the Englishmen off their feet in the very first period. America outplayed England clearly in the first four and the eighth period, and the American ponies were speedier than the Englishmen's ponies, of which so much had been said, before the game, as to their fleetness.

England's strong finish in the last half of the game and the excellence of their ponies, gave the supporters of the challengers strong hopes that a third game will be played.

## Big Legal Fight Expected.

Warsaw, Ind., June 11.—Washington township, in which the town of Piercetown is located, went "dry" by eight votes. A former election held April 29 was won by the "wets" by two votes. The election was contested by the "drys," who alleged that four illegal votes had been cast. The commissioners decided the election invalid and ordered a second election. The "wets" have appealed the case and a big legal fight is expected.

## Will Enforce Fireworks Ordinance.

Terre Haute, Ind., June 11.—Mayor Gerhardt issued notice that the ordinance prohibiting the display or sale of fireworks in stores will be enforced. He says there will probably be exhibitions of fireworks, but no dangerous displays will be allowed.

## Boy Dies From Lockjaw.

Columbia City, Ind., June 11.—Frank Wallace, fifteen years old, is dead from lockjaw, the result of being shot in the index finger on the right hand by a shot from an air gun one week ago.

## Young Man Burned to Death.

Terre Haute, Ind., June 11.—Pearl Gilmore, twenty-eight years old, is dead from burns received when his gasoline-soaked clothing ignited from a cigar he was smoking.

## TERSE TELEGRAMS

The Mississippi legislature is in extra session to consider an issue of bonds for \$3,000,000 for levee improvements.

Delegates representing 296 newspapers are attending the convention of the International Circulation Managers' association at Cincinnati.

Statistics submitted at Washington show that nearly the whole world is depending on the United States for boots and shoes.

Governor Ralston has issued a proclamation calling on the people of Indiana to observe National Flag day, Saturday, June 14.

More than 22,000 persons living in Pennsylvania already have made application for transportation to attend the Battle of Gettysburg celebration.

Eight thousand business men in northeastern Michigan turned laborers and in one day constructed more than 250 miles of roadway between Bay City and Mackinaw City.

Prince Peter Lieven of St. Petersburg, globe trotter, hunter and one time friend of Tolstoy, has arrived in New York on his first visit to the United States.

WAR IN IRELAND  
NOW THREATENEDBitter Feeling Over Progress of  
Home Rule Bill.

## STOP SHIPMENTS OF ARMS

Continued Dispatch of Arms to Points in Troubled Isle Accentuates Declarations Openly Made in the House of Commons That the Passage of the Home Rule Bill, Now Past Second Reading, Would Mean Civil War.

London, June 11.—After several addresses had been delivered in the debate on the second reading of the home rule bill, which was rejected by the house of lords and will have to be passed three times by the commons under the parliament bill, the division on the second reading was taken. Mr. Balfour's motion to reject the bill was defeated by a vote of 368 to 270. The bill was then passed on its second reading and then referred to the committee. There was a triumphant demonstration by the government coalition at the announcement of the vote. The outbreak was similar to the occasion of the first passage of the bill. The members cheered and waved their hats and handkerchiefs for a long time.

During the debate the opposition presented all the objections that heretofore have been raised to home rule, some of the speakers going so far as to predict that the passage of the bill would mean the breaking out of civil war in Ireland.

## THE SHIPMENT OF ARMS

More Mysterious Consignments to Ireland Are Intercepted.

London, June 11.—The police have seized a big store of arms and ammunition in a stable at Hammersmith. The arms have not as yet been counted, but it is said that there are about 4,000 rifles and the same number of bayonets. They were disembarked at the London docks some days ago. The police were aware of this and watched their removal to the stable, and on their dispatch therefrom the consignment, which was going to Dublin, was seized.

The stable was hired on behalf of a mysterious "Ferguson & Co." The police may know who the members of this alleged firm are, but nobody else knows.

A consignment of 2,500 rifles from Antwerp left London docks yesterday addressed "To the Order of Messrs. Carson & Co., Bedford, to be called for." The Midland railway accepted the consignment and is conveying it in the usual course of business. The cases were marked "small arms."

LONDON TRADERS HIT  
BY SLUMP IN MARKETNear Approach to Panic In  
Stock Exchange.

London, June 11.—In some departments of the stock exchange yesterday there was a near approach to a panic and the day was altogether the blackest in a long time. Forced selling prior to the settlement was the immediate cause of the heavy fall, coupled as it was with extensive liquidation from the continent. The deadlock in the Balkans was given as a contributory cause, but the difficulties which are gnawing the heart of the market are really financial and not political.

The most sensational movements of the day were in Americans, which dropped several points with scarcely a share changing hands. Steels and Amalgamated Copper also moved downward. There was something of a rally in the afternoon, but it was inappreciable when compared with the early slump and was followed by further weakness. Canadian, foreign government bonds, home and foreign rails, Hudson Bays, Mexicans and industrials were among the most depressed.

Prices closed above the worst of the day, but Americans succumbed to fresh weakness in the street trading. An enormous amount of money was lost by weak holders. The banks are doing their best to facilitate the settlement, but the charges for loans will not be less than 4½.

## Troubled Day on 'Change.

New York, June 11.—The stock market passed through a troubled day yesterday as a result of the rendition by the supreme court of its decision in the Minnesota rate case. The decision was construed as adverse to the railroads, and the market experienced a violent decline.

## Will End Long Service.

Lafayette, Ind., June 11.—Mrs. Emma Mont McRae, for the last twenty-four years professor of English literature of Purdue university, will retire from educational work this year. On her retirement she will go to Boston, where she will make her home with her daughter.

Mrs. Careworn—"Mrs. Easy-work and her husband went to the theater last night, and I suppose her wash got a lick and a promise. Any woman who does her work right is too tired to go out Monday night."

Anty Drudge—"No, she didn't let her work go! I'll tell you what she did. She used Fels-Naptha Soap, which does the work in half the time, and doesn't give you a backache in doing it."

No woman who uses Fels-Naptha Soap to help with her work needs to be tired out. Fels-Naptha Soap in cool or lukewarm water dissolves grease and makes dirt and stains disappear.

Washing clothes, housecleaning—doing any work for which soap and water is necessary, is made twice as easy, and done in half the time by using Fels-Naptha, and following the directions on the Red and Green Wrapper.

FELS &amp; CO. PHILADELPHIA

## NEW BREAD FOR THE ARMY.

Here is the Recipe For Those Who Want to Try It.

Sour bread, baked after the French army fashion, has been given up by the United States military establishment. After numerous experiments Commissary General H. C. Sharpe has developed a new bread that is impervious to the weather, sweeter than the old loaves and easier to transport. Following is the recipe:

To 100 pounds of sifted flour and fifty-two pounds of water one and one half pounds of dried yeast, three pounds of sugar and one and one-quarter pounds of salt.

The mixture is cooked in a slow oven, and the loaves are baked flat.

Oh yes sir! We do auto livery, day or night. E. W. Caldwell. Residence phone 1489 or Bowen's garage, 1364. 73t6

The Perfect Construction of a Buggy  
Depends on the Small Details

That is why our buggies are the ones that give long road service. Every small detail is looked after. There is not a screw or a bolt left out that would add strength to any part. No pains or material spared to make these buggies the best that can be built. Look at one of them and you will see that it is braced in every place that would give it added strength. Every place that is in the habit of breaking on other vehicles is re-enforced on the buggies we sell and there is just as much difference between a vehicle we sell and the other kind you see as there is between a tailor-made suit of clothes and a cheap manufactured one, because every buggy we sell is built to our own special specifications and that is how we get the road service. By experience we have learned where to re-enforce a buggy to make it wear. If you want a buggy that is built right, looks right, and is right in every detail of construction, we want your business.

**WEIGH BLANKS**—in book form neatly bound. For sale at the Republican Office. 1f

## STRIKE TROUBLE SENATE INQUIRY

Committee Enters Upon Its Labors.

### CONDITIONS IN WEST VIRGINIA

Before Taking Up Their Inquiry Into the Numerous Points in Dispute in the Troubled Mining Section, the Members of the Senate Committee Received a Warm Welcome to the State From Governor Hatfield.

Charleston, W. Va., June 11.—The committee of the United States senate plunged into its work of investigating mining conditions in West Virginia last night, centering its attention on the several martial law regimes on Paint and Cabin creeks. Evidence establishing the fact that military rule supplanted civil law and procedure was taken at the initial session. Ex-Congressman Joseph H. Gaines described the procedure of the civil courts in the state. The testimony of newspaper men was taken to show the courts were open and accessible during martial law.

The committee, consisting of Senators C. C. Swanson, William E. Borah, John K. Shields, William L. Kenyon and James E. Martine, arrived at noon. Before opening proceedings the committee visited Governor Hatfield, who welcomed them to the state and promised them every aid in his power. The afternoon session was occupied mainly with formulating the procedure in taking evidence. The affirmative was designated to the miners on the subject of peonage, martial law and interference with postal arrangements, while the operators were allowed to take the affirmative on importation of firearms, conspiracy in restraint of trade and immigration questions.

The committee decided to do its own investigating of the causes of all the strike troubles. The peonage and martial law questions are under Senator Borah's charge. Portions of the state constitution and statutes bearing on the military situation were read into the record by the chairman.

A formidable array of counsel represented both sides of the controversy. Frank S. Monnett, former attorney general of Ohio, was in charge of the miners' side. The operators presented a preliminary statement to the committee. The miners will do so later.

### ADOPTS COMMISSION FORM

Old Way of Managing Cities Abandoned in Jersey City.

Jersey City, June 11.—This, the largest municipality east of the Mississippi to adopt the commission plan of government, elected its initial board of five commissioners to run the city's official business and perform the functions of ninety-one heads of departments, all of whom will lose their jobs.

The successful candidates were: Ex-Mayor Mark M. Fagan, Progressive Republican; Street and Water Commissioner Frank Hague, Democrat; James J. Ferris, Democrat; George F. Bronsinger, Democrat; Thomas J. Stewart, Republican.

Not only was Mayor Otto Wittmann's administration swept out of power by the defeat of the mayor's group of candidates (there were ten in the race), but Wittmann himself, as the result of the work of the voters, may have been wiped off the political map, so far as his ambition to become the Democratic candidate for governor in the fall is concerned.

### MINNESOTA RATE DECISION

Mr. Taft Says It Is in Effect a Railroad Victory.

New York, June 11.—Ex-President William H. Taft has written a comment on the Minnesota railroad rate decision handed down by the supreme court on Monday. Mr. Taft finds the decision in ultimate effect to be a victory for the railroads. The court, while vindicating the position taken by the state in the present case, nevertheless points the way for the establishment of a superior federal authority. Mr. Taft says that the only recourse of the interstate railroads, which chafed under state supervision, is to congress, which under this decision has the power to make uniform laws which will be effective even within the borders of the states themselves.

**Jersey Man For Public Printer.**  
 Washington, June 11.—Cornelius J. Ford of Jersey City, N. J., will be the new public printer. Ford is president of the New Jersey State Federation of Labor, and a practical printer of many years' experience. The nomination was sent to the senate yesterday afternoon.

**Galesburg Man Slain by Burglar.**  
 Galesburg, Ill., June 11.—Charles A. Lindoft, a teacher of the violin, was murdered in his home here when he went to the aid of his daughter, who was being choked by a burglar. The intruder escaped.

**Insurgents Mine Track.**  
 Nogales, Ariz., June 11.—By the dynamiting of a troop train near Guaymas 200 federal soldiers were killed and many more wounded. The track had been mined by insurgents.

## DRAWS UP PLANS FOR PEACE FETE

Subexecutive Committee Meets In New York City.

### STATUES TO BE ERECTED.

One of Queen Victoria Will Be Placed In Washington, and One of Abraham Lincoln Will Be Presented to the British People—English Delegate Promises Co-operation For Success.

Further plans for the celebration of the one hundredth anniversary of peace among English speaking nations in 1914 and 1915 were drawn up recently by the American subexecutive committee in session at New York city.

Those plans which have to do only with the American committee include the erection of a statue of Queen Victoria in Washington, the presentation of a statue of Abraham Lincoln to the British peoples and a historical costume ball. Of course these three things are only a part of the tremendous celebration.

Among the persons who attended the meeting were John A. Stewart, chairman; Joseph H. Choate, Alton B. Parker, Dr. Nicholas Murray Butler, Charles D. Hilles, William Curtis Demorest, Dr. E. R. L. Gould, George William Burleigh, William B. Howland, William Church Osborn, H. S. Perris, B. H. Warner, Andrew B. Humphrey and George T. Wilson.

The erection of the statue of Queen Victoria will be done under the direction of a committee of women. The announcement of the names of that committee will be made later.

The movement which had been under way to present a statue of Abraham Lincoln to the British people took definite shape at the meeting. It was inspired partly by the admiration which the British delegates expressed for a statue of Lincoln in Chicago. The committee plans, of course, that this statue shall be of heroic size and shall be done by one of the best artists in America.

The committee voted to give the historical costume ball in New York city some time next winter. The affair will be under the auspices of the most prominent society women in that city. The costumes and incidents of the ball will all be arranged to emphasize the important event of 100 years of peace among English speaking countries.

#### Idea of the Cost.

While no official figures were given as to cost of the celebration in this country, an idea of it was obtained from the announcement by John A. Stewart, chairman of the executive committee, that the people of Chicago have decided to raise \$100,000 for their part of the celebration in that city. Of course there will be similar celebrations in Boston, Chicago, Philadelphia, Washington, Detroit, Buffalo and other cities.

H. S. Perris, one of the English delegates about to sail for home, gave out the following statement concerning his visit to this country:

"It will be a matter of great satisfaction to me to report to my committee in London that the last subject I heard discussed by the American committee was the erection of a statue of Queen Victoria in Washington.

"The conference in New York and the subsequent round of visits to important American cities have effected the main object we all had in view—namely, to place the project of the celebration of the hundred years of peace promptly before the masses of the American public. Whatever suspicions and fears of the object of the celebration may at one time have existed, we have heard scarcely a breath of them during the course of our tour.

"I have found a spirit of confidence among the prominent men of the various delegations that our program will now be carried through to a triumphant issue and that the necessary sums of money will be quickly forthcoming.

#### A Monument In London.

"Our British committee is pledged to approach the home government with a request for a grant in aid toward the great monument which we propose to erect in the streets of London, and simultaneously the American and Canadian governments will be asked to contribute grants for similar monuments in Washington and Ottawa. In addition we propose to place commemorative tablets at various points along the Canadian-American frontier and in church and university buildings in the various countries where the story of a hundred years of achievement of peaceful progress will speak to succeeding generations.

"Our British delegates have left your shores full of satisfaction at the great success of the conference and the subsequent tour and more deeply impressed than ever with the close bonds not only of blood relationship, but of friendly sympathy, born of common ideals and traditions, which bind our two great peoples together.

"We shall make it our business in England to work hard the next twelve months for a great celebration of what is undoubtedly one of the greatest achievements in the history of civilization. I leave New York in full confidence that a similar activity will manifest itself among the members of the American committee and of the Canadian committee for the celebration."

## Money to Loan

If you need MONEY for any purpose I will let you have it. Your household goods, pianos, horses, cattle and other personal property will be good security. You can pay back in EASY WEEKLY OR MONTHLY PAYMENTS. It is a good thing to borrow where you know your business will be confidential. Loans made anywhere in Rush county.

**Walter E. Smith,**  
 LEGAL BUSINESS INSURANCE

## MONUMENTS! MONUMENTS!

Our stock of monuments this season, surpasses anything we have heretofore carried, embracing a neat selection from the modestly plain to the elaborately carved from model designs.

An order for a monument placed now will insure its erection for Decoration Day.

The Products from the numerous quarries in the Barre, Vermont, district vary, not alone in color, but also in quality of stock. Who selects yours?

Montello and Millstone granite are of one uniform quality, the highest grade of monumental granite quarried.

**J. B. SCHRICHTE SONS**

### The Whole Family

will eventually have their shoes repaired at Al. T. Simmes after one member of the family has given us a trial. Here you will obtain the best quality leather, your work will be done in a jiffy, neatly, reasonably and satisfactorily.

We have all kinds of bows and straps and neverslips for low shoes.

# URGES DISPLAY OF NATIONAL EMBLEM

Governor Ralston Points Out Duty  
of Every American Citizen on  
Flag Day, Next Saturday.

## HAS DEEPER SIGNIFICANCE

"Love for the nation's flag and appreciation of its deeper significance to the republic was never more manifest among our people than at this time," said Governor Ralston in a proclamation, issued yesterday, in which he called attention to Saturday, June 14, as the national flag day. "This is well; for while Old Glory has a larger meaning as our united country takes a higher place among the nations of the earth, and while the genius of her institutions becomes more impressive to the world by comparison with other systems of government, that banner must never lose in vigor and purity its original meaning as the symbol of respect for law equal rights before the law—as the safeguard of the citizens from

injustice and oppression at home and abroad."

The governor urges that in so far as practicable, all state institutions, college and school buildings, residences and places of business make display of the stars and stripes during the entire day.

## WILSON ON THE JOB.

Rich Wilson of this city, well known as a starter of horses at race meets has been engaged as starter for the Northern Wisconsin State Fair. This fair is the week after the Indiana State Fair.

## AN INSPIRED POET.

The poet of the Chicago Record-Herald is truly inspired as he thus pictures the recent weather we have had in a way that all will agree touches the spot: "Monday it is cloudin' up; Tuesday it is rainin'; Wednesday morn the sun comes out to keep us from complainin'. Thursday it is cool again; Friday it is hot. And Saturday night we freeze up tight. We love such changes, not."

## FIRST EXCURSION.

The C. H. & D., has announced the first Sunday excursion of the season to Cincinnati for June 15. The train will leave Rushville at 7:50 o'clock and returning will leave Cincinnati at 7 o'clock.

# BIGAMIST GETS A PRISON TERM

Continued from Page 1  
foreboding on Friday that something was going to happen and was not surprised when I saw the sheriff coming in my direction. I did not attempt to get away, although that was my impulse on Friday. That dream surely did worry me a lot, but here I am."

Mrs. Bailey or Mrs. Reamer, called at the jail Sunday to see Reed and had a talk with him. She said that she had been deceived and that she thought she would bring proceedings in court to have the marriage annulled. She is very highly respected in her home town and her friends say that she feels chagrined at the way she has been duped by the man.

It is said that Reed may have more wives than he had acknowledged, but this he denies, saying that he was not married until last March. Sheriff Kirk told him that he had waited quite a long time to get married, but that when he did start he made a record, being twice married within three months.

# STRONG TEAM TO FACE RESERVES

Locals Strengthen Line-up For Game  
at Shelbyville Sunday and  
Expect to Win.

## "HALTY" OR AVERY TO PITCH

Harris, Outfielder, and Murray, Third  
Baseman May be Added  
to the Team.

The Rushville team that faces the Reserves at Shelbyville Sunday will be the best that has represented this city so far this year. The new additions to the team will not be temporary and will not be simply to defeat Shelbyville, but will stick throughout the season. The team has been weak at the bat and the two players which will be added are great stickers. Manager Walker went to Indianapolis this morning and expected to sign up Murray and Harris. Murray is third baseman and has been playing with Cambridge City. Harris is an outfielder and was seen here in a Rushville uniform last year.

Harris batted .333 with the locals last season and the outfield will be greatly strengthened with his presence. Halterman will be in left and Yazel in right. Stubble Coombs will probably be placed on first base and the rest of the infield will remain the same. Avery and Halterman will alternate in the box and will probably pitch every other game. The locals are anxious to defeat Shelbyville and repeat the trick of last season. Last year the locals put over two wins on Shelbyville.

Concerning the game Sunday the Shelbyville Democrat says:

At last they are coming and they will be here with several hundred rooters strong. Manager Brunner of the Reserves, stated this morning that he had at last been able to schedule a game with the fast Rushville nine here Sunday afternoon, and that they would come with several hundred rooters. Great rivalry has existed between Shelbyville and Rushville for several years and especially in the athletic line, and the game Sunday afternoon promises to be one of the hottest contested battles ever witnessed in this city.

Chick Avery, the pride of Rushville will be on the mound for the visitors, while Moran, the star pitcher of the Reserves, will be on the mound for the locals. Moran is not in the best of humor as the result of the defeat given the local boys last Sunday by Fortville and he is determined that Rushville shall suffer for it. The Rushville team has been playing excellent ball this season, but Manager Brunner believes his team is playing a little better and will not have much trouble winning.

# Easier, Quicker and Better Dusting and Cleaning

Easier, because you do not have to get down on your hands and knees to dust, clean and polish a hardwood floor or the stairs, or move heavy furniture to dust under it. Easier, because you do not have to stand on a chair to dust the molding or the tops of doors or the tops of high furniture. No back-breaking rubbing whatever—simply run over anything lightly and it is entirely free from all germ-laden dust.

Quicker, because you only have to go over the surface once to dust, clean and polish. One operation does it all.

Better, because the O-Cedar Polish gives a high, hard, durable finish, not a gummy, hazy bluish cast.

The mop is heavily padded to protect the furniture, and the handle is 54 inches long. It can be easily cleaned by washing and renewed by pouring a few drops of O-Cedar Polish on the mop.

SPECIAL PRICE, \$1.48
